

RIVER VIEW LOCAL SCHOOL DISTRICT INTERDISTRICT OPEN ENROLLMENT 2020 - 2021 School Year

POLICY & APPLICATION

DEADLINE DATE: MAY 1, 2020

INTERDISTRICT OPEN ENROLLMENT POLICY

Guidelines for the renewal or transfer of students, based upon criteria established by the district's administration and in conjunction with recommendations from officials of the Ohio Department of Education are listed below. The River View Board of Education shall permit any student to apply and enroll in the district schools free of any tuition obligation, provided that all procedures are met.

1. Any application for a transfer or renewal of Open Enrollment to River View Local School District must be submitted to the Superintendent's office by May 1, 2020. Application will be acted upon by July 10, 2020.
One application must be submitted each school year for each student who requests attendance in River View Local School District.
2. Class size of the requested grade will be a determining factor in accepting an open enrollment student.
* Elementary Class Sizes (PK-6) will not exceed 25 students
3. No students, once accepted will be displaced during the forthcoming school year should daily admissions cause enrollment to exceed the limits in class size.
4. Enrollment in a special program i.e., gifted, L.D., D.H., etc., will dictate which building a student must attend.
5. No special education programs will be instituted to serve transfer students.
6. All approved transfers are in effect for one school year only. Applications must be renewed yearly. Transfers may be discontinued at the discretion of the administration in subsequent years.
7. Renewal applications will be given first consideration.
8. There is no district responsibility for the transportation of interdistrict transfer students. Parents may contact the District Transportation Supervisor to make arrangements to board a bus at a regular transportation stop within the district, however transportation of the student(s) is the sole responsibility of their parent/guardian.
9. The requesting student(s) has not been expelled or suspended for ten consecutive school days any time within the previous school year.
10. The district application has not been falsified in any manner.
11. For reasons of student accounting and state funding you must be enrolled in your home district school as a student participating in Open Enrollment.
12. **Take the Interdistrict Open Enrollment Application form to your resident district** (the district you are now attending or will be attending if not accepted at River View) and have your enrollment at that school verified. This is a very important item due to all schools being on a state wide computer system. Thank you for taking care of this before submitting your application to River View.
13. Also, if you have a student already attending a school in River View District but you have moved into another district, your resident district has changed and you will need to comply with number 12.
14. Superintendents may, by mutual agreement, waive the stated enrollment deadline up to the first full week of October, should extenuating circumstances exist.

Please keep the Open Enrollment Policy for your information and return the application form to:
